At home on the field of sport

Falcon takes pride in bringing the technological revolution to the field of sport.

We utilize the latest innovative technology to produce the highest standard sporting products possible for our customers.

Rise Above & Beyond

Falcon exists to help athletes rise above and beyond their potential.

Life is limitless and this belief inspires everything we do. All of our products are made bespoke for each client, with exceptional attention to detail, that is guaranteed to give our customer the edge.

FEARLESS, FOCUSED, FASHIONABLE

Our founder has 25 years elite sports management experience, from grass roots to professional level, and is now channeling that passion for the game into developing a fully customizable range of premium products that never let you down.

Whether you are a Speedster, old school defender or a False 9, you need not worry - we have you covered!

Our clients can range from single customers and schools, to sports clubs and institutions but our mission remains the same...

We help enhance your sporting development.

LUGGAGE RANGE

FINISH OPTIONS

Our luggage range is available in the 3 finish options shown:

Print

3D Embossed Print

Embroidered

Step 01

Pick a range, any range of bag

Our luggage range is a stunning and comprehensive collection of ultra-modern bags spanning across the Sporting family.

Step 02

Confirm your choice, or Choose your design

Although we are confident our range of stunning bags will meet your requirements, we have the flexibility to cater for your individual needs. Feel free to recommend a certain design you have in mind and we can work with our designers to help sketch the designs seeking your approval prior to production.

Step 03

Choose a Finish

To add to the choice and flexibility of the range the bags are offered with option for logos and branding to be Screen Printed, 3D Emboss Print and a stunning Fully Embroidered look, producing a deceptively real touch appearance.

Step 04

Order your bags

The rest is simple. Get in touch to have the opportunity to have the bags you want in the style you like and your own finish choice.
